PAJAMA DRIVE: Alicia Corneau, a past parent, has taken on a wonderful project for the 7th year in a row. She is helping us collect new pajamas for needy children. This year we are donating directly to Family Shelter Services at Family Aid Boston where my daughter Morgan is the supervisor. There have 129 families in need. Any questions contact: aliciacorneau@yahoo.com. If you are interested in donating, and have not done so, please buy a new pair of PJ's for a needy child, (all sizes needed) and bring them to school before Dec.13th. We already have 26 pairs!
